Please answer these questions on a separate sheet:

1. Why would you like to intern for Congressman Brad Carson?
2. Will you receive college credit for this internship? (Please note: Students participating in their college or university internship program, or those receiving credit are often prohibited from receiving stipends.)
3. How did you learn about this program?
4. Are you applying to intern in another Congressional Office, or agency, or a separate organization?
5. What areas of Congress would you like to focus on during your internship?
6. Will you need assistance locating housing during your internship?
7. Due to budget cuts, we may be forced to provide internships on a “voluntary” basis. If there are no funds to provide a small stipend, would you still be interested in interning in our office?
