Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding in the amount of $185,000 to Kids’ Voice of Indiana for the Safe Child Parenting Time Program in fiscal year 2023.

The entity to receive funding for this project is Kids’ Voice of Indiana, located at 127 East Michigan Street Indianapolis, Indiana 46204.

The funding would be used to support the Safe Child Parenting Time program which provides services for families and children who are survivors of violence, abuse, or neglect or are in the court system as part of divorce, paternity, guardianship, and adoption cases in which protection of children during visits is needed.

The initiative is a valuable use of taxpayer funds because it will expand services to reach more families and prevent trauma from occurring in families and children across Indianapolis.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

André Carson
Member of Congress
