The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Raphael Health Center Community Pharmacy Expansion in Fiscal Year 2027. The entity to receive funding for this project is Raphael Health Center, Inc., located at 401 East 34th Street, Indianapolis, IN 46205.

The funding would be used for architectural and engineering costs, construction, and the purchase of capital equipment to establish a community-based pharmacy. The project is an appropriate use of taxpayer funds because it addresses critical pharmacy access gaps in a federally designated underserved area, improving health outcomes and reducing costly emergency room utilization for over 150,000 residents.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

André Carson
Member of Congress
