The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Indianapolis Airport Transportation Network Access Lanes project in Fiscal Year 2027. The entity to receive funding for this project is Indianapolis Airport Authority, located at 7800 Col. H. Weir Cook Memorial Dr, Indianapolis, IN 46241.

The funding will be used to construct dedicated TNC access lanes at Indianapolis International Airport to reduce curbside congestion, enhance public safety, and improve overall traffic flow for the traveling public. This project is an appropriate use of taxpayer funds because it strengthens the operational efficiency of a critical regional economic engine, protecting existing infrastructure investments while supporting continued passenger growth, job creation, and safe access for families, workers, and businesses across Indiana's 7th District.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

André Carson

Member of Congress
