

## **City of Indianapolis Housing and Homelessness Project**

**Proposed Recipient:** City of Indianapolis, IN

**Address of Recipient:** 200 East Washington Street Indianapolis, Indiana 46204

**Amount of the Request:** \$500,000

**Explanation of Request:** This initiative is a valuable use of taxpayer funds because the project will be a one-stop shop for residents in need of permanent supportive housing. Services would include mental health and substance abuse counseling, primary care services, and personally identifiable documentation such as social security numbers and driver's license. This has been a priority of the Hogsett administration since 2018 when the city began making significant investments in the creation of permanent housing units. This project would be a continuation of that work.
