

Flanner House of Indianapolis Mental Health Services Project

Proposed Recipient: Flanner House of Indianapolis

Address of Recipient: 2424 Dr. MLK Jr St. Indianapolis, IN 46208

Amount of the Request: \$250,000

Explanation of Request: The funding would be used to develop a neighborhood located, non-clinical setting for the delivery of mental healthcare, the King Commons Family Wellness Center. The center will be a multidisciplinary behavioral health care practice. The Wellness Center will be constructed using innovative container technology, which will allow it to be completed in half the time of conventional construction. This initiative is a valuable use of taxpayer funds because the center provides an array of quality mental health and behavioral health services to individuals, couples, and families. The service population includes people of all age ranges. Services include, psychopharmacology, individual psychotherapy, substance abuse programs, family counseling and group counseling, delivered by a multidisciplinary staff.
