

Market Street Reconstruction

Proposed Recipient: City of Indianapolis

Address of Recipient: 200 East Washington Street Indianapolis, Indiana 46204

Amount of Request: \$7,000,000

Explanation of Request: The project will complete the reconstruction of the bricked Market Street from the State Capitol to Illinois Street. Improvements to the street will likely provide for raised pedestrian crossings, curb bump outs to make those crossings narrower and safer, and visitor drop-off locations for vehicles and bike parking.
