House Committee on Appropriations
Subcommittee on Transportation, Housing and Urban Development and Related Agencies
US House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding in the amount of \$7,000,000 to the City of Indianapolis for the Market Street Reconstruction project in fiscal year 2023.

The entity to receive funding for this project is City of Indianapolis, located at 200 East Washington Street Indianapolis, Indiana 46204.

The funding would be used for the complete reconstruction of the bricked Market Street from the State Capitol to Illinois Street. Improvements to the street will likely provide for raised pedestrian crossings, curb bump outs to make those crossings narrower and safer, and visitor drop-off locations for vehicles and bike parking.

The initiative is valuable use of taxpayer funds because the additions will help improve public safety access for improving the road condition for vehicles and pedestrians.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

André Carson
Member of Congress
