

**Community Action of Greater Indianapolis Foster Grandparent Program**

**Proposed Recipient:** Community Action of Greater Indianapolis

**Address of Recipient:** 3266 North Meridian Street Indianapolis, Indiana 46202

**Amount of Request:** \$100,000

**Explanation of Request:** The funding would be used to bring seniors and children together and expand the current Foster Grandparent Program in Indianapolis. The current program works with disadvantage youth across Indianapolis and this funding would allow the program to expand by adding an additional 20 seniors to the program and ultimately assist more children who have fallen behind academically and socially.
