Subcommittee on Labor, Health and Human Services, Education and Related Agencies
US House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding in the amount of \$500,000 for Ivy Tech Community College Childhood Education Center in fiscal year 2023.

The entity to receive funding for this project is Ivy Tech Community College, located at 50 West Fallcreek Parkway North Drive Indianapolis, Indiana 46205.

The funding would be used to enhance the early childhood education program at Ivy Tech by providing equipment and educational materials, early education opportunities for those students with children and benefiting the community through additional childcare services.

The initiative is a valuable use of taxpayer funds because it will benefit the students and neighborhoods surrounding the Ivy Tech campus by modernizing the childcare facilities and supporting the next generation of early childhood educators.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

André Carson
Member of Congress
