

Kids' Voice of Indiana Safe Child Parenting Time Program

Proposed Recipient: Kids' Voice of Indiana

Address of Recipient: 127 East Michigan Street Indianapolis, Indiana 46204

Amount of Request: \$185,000

Explanation of Request: Funds will be used to support the Safe Child Parenting Time program which provides services for families and children who are survivors of violence, abuse, neglect, or are in the court system as part of divorce, paternity, guardianship, or adoption cases in which protection of children during visits is needed. Over the last two years, incidence of domestic violence has increased and demand for these services has increased beyond current capacity, so this funding would allow for expansion of the current program.
