

Overdose Lifeline Camp Mariposa-Aaron's Place Youth Prevention Program

Proposed Recipient: Overdose Lifeline, Inc.

Address of Recipient: 1100 West 42nd Street Suite 240 Indianapolis, Indiana 46208

Amount of Request: \$75,000

Explanation of Request: Overdose Lifeline's Camp Mariposa-Aaron's Place Youth Prevention Program would impact children and families by expanding upon their programming to high-risk youth ages 13-17. Currently their programming is yearlong, evidence-based camp experience for younger children and their families affected by substance misuses and especially targets children whose parents are in active use or in recovery; children who are in, or at risk of entering the foster care system; and children with one or both parents incarcerated. The teen program will incorporate key elements from the Camp Mariposa-Aaron's Place model through the development of a revised, age-appropriate curriculum with emphasis on both mentoring and family centered harm reduction.
